The screenshot displays the Autodesk Navisworks Manage 2014 (UNREGISTERED VERSION) interface. The main window is titled 'Clash Detective' and shows a test named 'Test 1' with a total of 32 clashes. Below this, a table lists 18 individual clashes, each with a name, status, level, grid intersection, and found date. The 3D view on the right shows a wireframe model of a structure with a red vertical line and a green square base, indicating a specific clash location.
